CREATE ZERO HUNGER

Ericsson Innovation Awards 2017

A GLOBAL STUDENT COMPETITION

How would you use technology to shape the future of food? If you have a groundbreaking idea, you could win €25,000. It's all part of our support for the UN's Sustainable Development goals of Zero Hunger and Responsible Consumption and Production. Find out more at bit.ly/eiac2017

Ericsson is a proud Nobel International Partner, supporting engagement in the pursuit of scientific knowledge.
